

Purchasing Cleaning Supplies for the Cross Match Guardian Fingerprint Scanner

We have received a number of requests at the USAccess Helpdesk for cleaning supplies for the Cross Match 10 print fingerprint scanner. Please note that at this time, the USAccess Program does not provide cleaning kits for the Cross Match. Providing these supplies is at the discretion of the local agency POC. Cross Match has two kits specifically for the Guardian listed in their GSA Schedule Contract # [GS-35F-0199R](#). Agencies should be able to purchase these cleaning kits directly from the Cross Match Technologies website or from the GSA Advantage website.

Part #	Product	Description	Unit Price on GSA Schedule
900232	KIT, Supply-Guardian	20 silicone pads 20 tape cleaner pads 2 microfiber cloth 24 alcohol wipe	From: \$ 504.95
900242	KIT, Small Supply-Guardian	5 silicone pads 5 tape cleaner pads 2 microfiber cloth 6 alcohol wipe	From: \$ 137.71

To purchase from the Cross Match Technologies Website:

Go to store.crossmatch.com/xcart/home.php. Select "Guardian" on the left side, then choose from either of the part numbers above (900232 for the large kit or 900242 for the smaller kit) and the quantity.

To purchase from GSA Advantage:

Go to www.gsaadvantage.gov. Enter either of the part numbers listed above and complete your order normally. Click the Customer Service tab to learn how to register and use the GSA Advantage service.
